

Children's Joke Book

by Kilbarrack Youth Project.

Welcome to Kilbarrack Youth Project's Children's Joke Book.

This book was created entirely by young people from Kilbarrack Youth Project. The pictures exhibit some of the excellent artwork created in the Youth Project. Some include paintings and drawings and others include small models and sculptures.

The jokes were written by young people aged from ten to nineteen. The jokes were found in other children's jokes books or copied from the internet and some were even created from the young people's imaginations.

A word of thanks must be expressed to Kilbarrack Youth Project's voluntary board of management for supporting this book. Without their contributions the book and even the Youth Project would not exist.

A special word of thanks also to Karl Hatton and Nicole McMahon for spending hours learning and perfecting the graphic design skills needed to create this book. Another special thanks to all the young people who wrote the jokes, especially Chloe Alden and Nicole Cunningham. Thanks also to Ray Crawford for proofreading this book.
